### 3 SHINING IN MY HEART

*Key D. chords for guitar capo II*

Oh the Moon, and the Stars  
are shining in the sky  
At night they come and sing for us  
a gentle lullaby

Oh the Sun, Oh the Sun  
is shining in the sky  
This light of love that shines upon us  
heals and purifies

Jemanja Jemanja  
how beautiful you are  
the water of light you bring for us  
to soothe and heal our scars

Oh your love, all your love  
Is shining in my heart  
In joy and happiness I know  
we can never be apart
